Lush oils by Oliver Norton featured at River's End Gallery

Waukesha, WI, September 5, 2007 – River's End Gallery is proud to feature the work of landscape artist Oliver Norton throughout the month of September.

Norton's oil paintings offer a fresh, modernist approach to traditional landscape, using lush colors and innovative shading. Born in Romania to parents who were themselves artists, Norton's mature use of shading was recognized at an early age. His subtle use of color continues to distinguish his work today.

Collected nationally, Norton's original oils are displayed in New York and Atlanta. Now, River's End Gallery in Waukesha offers this rare opportunity to view the artist's fine work.
