Learn About the Process of Creating Art from Concept to Completion

Artist Open House in January 2007

Waukesha, November 10, 2006 – River's End Gallery is hosting accomplished artists who will provide talks on various art techniques on January 20, 2007 from 2 p.m. – 6 p.m..

The artists will share their unique perspectives and techniques from concept to completion. The attendees will gain an understanding of the value of an art piece and will enjoy a welcome break from winter in the gallery's sunny art studio with a view of the Waukesha River Walk.

"In addition to the education, participants will be treated to a reception and selected items will be reduced, all to increase the enjoyment of those who attend," explained Joan Skimmons, owner of River's End Gallery.

About River's End Gallery

The gallery caters to individuals and corporations looking for larger pieces of art. It carries the finest artists who create large paintings. Although many of these artists are from Wisconsin, the gallery also serves artists from Florida, Texas, Illinois, Minnesota, Virginia, and California. The gallery offers sculpture, art glass, art jewelry, smaller paintings, and prints. Many of the artists will create commissioned works for buyers with specialized interests. The works on display include water and landscapes, architectural, floral, figures, people in environments, and animals.
